Admit to getting concerned about the process and outstanding steps.

Want to make sure when ascertainment is made and if there is a change

in Administration we can quickly get you access into the agencies. I know

there is a lot going on - lets us know how we can help.

Sequence of Events (high level)

Following ascertainment the following sequence of events (at high level) is

required before ART members can reach out and go to agencies -

1. Biden Team posts names and other required information on .gov

domain.

2. Biden Team notifies GSA (Mary and Dorsy) names are posted and

provides or will have previously provided ART member names, where

going and certifications to GSA (this can happen before ascertainment -

ideally now with the exception of the web posting) and will continue on a

rolling basis.

3. (b) (5), (b) (6)

. GSA notifies agencies of ART names, who will

be making initial contact (team lead) and, as applicable, level of

clearance. GSA will receive a list of cleared individuals from DOJ upon

ascertainment.

4. ART team lead makes initial contact with agency POC and they directly

coordinate logistics/initial meetings etc.

Outstanding Tasks/Items (high level)

Before the above steps can occur the following activities are required and

remain outstanding:

1. Biden Team provides GSA with names of those delegated to submit

ART members - (1-2 Folks) per the MOU.

2. GSA provides access to .gov domain as soon ascertainment is made

and GSA and Biden Team have confirmed roll out plan/timing.

3. Biden Team submits ART member names to GSA (Mary/Dorsy) prior to

ascertainment to ensure that (b) (5), (b) (6) - in 2016 they were

to be submitted by Nov 3 to ensure immediate access following

ascertainment.

Consistent with Pre-Elect (b) (5), (b) (6) 9

AM - 3 PM, Monday -Friday - no weekend or after hours coverage. Since

our last meeting confirmed (b) (5), (b) (6) .

(b) (5), (b) (6) is needed for names to be sent to the agencies and to receive

the .gov email address and the GFE.

- **August 2, 2016:**

 - Electors meet and vote in their respective states.
 - For the first time since 1808 multiple faithless electors voted against their pledged qualified presidential candidate.
 - First election with faithless electors from more than one political party. There were five Democratic faithless electors and 2 Republican faithless electors. (States involved include Washington, Colorado, Minnesota, Texas, Maine, Georgia, and Hawaii.)

Agency Transition Directors:

As discussed during Agency Transition Director's Council Meetings and Second Term/Presidential Transition Planning Calls for non ATDC Agencies the *2020 Memorandum of Understanding regarding Transition Procedures, Identification of Transition Contacts, and Access to Non-public Government and Transition Information* was executed between the Administration and the Biden Transition Team on September 30, 2020 (you can view it on the MAX site).

The purpose of this email is to provide the Operational Instructions outlined in the MOU. Attached to this email are step by step instructions as well as a detailed flow chart.

As the Federal Transition Coordinator I will serve as the conduit between the Agency Transition Directors and the Biden Transition Team should there be a transition.

Note this process begins with the ascertainment of the apparent successful winner by the Administrator of GSA. The Biden Transition Team remains in the Pre-Election status until ascertainment is determined. You are reminded that no communication with the Biden Transition Team regarding the Agency Review Teams can occur until ascertainment has been made.

We will be scheduling a call for Monday, November 2, 2020, to provide any needed updates and answer questions regarding the Instructions..

Feel free to contact myself and/or my Team via the presidentialtransition2020@gsa.gov. We

will also begin a FAQ document and will post it on the MAX site.

Thank you again for all you have done and we look forward to working with you in this next phase should there be a change in Administration.
